Dear Steve:

Just a quick note to thank you for taking time out of your busy schedule to speak to the athletes at Clark University. Your presentation, *Did I Ever Tell You About The Time?* was excellent and extremely well received by our coaches and athletes. Everyone thoroughly enjoyed the fascinating stories of your days in the sports television business, we well as your seven key points to success in business and life. Having you with us was a great way to kick off the new year.

I would highly recommend your presentation, not just to athletes, but to all groups. Clark will look forward to having you back sometime in the future.

Sincerely,

Linda Moulton
Director of Athletics
