Dear Steve,

I wanted to drop you a note to thank you for presenting your program, "Did I Ever Tell You About The Time" to our group. It was a spectacular program that everyone is still talking about.

The stories about your days in the TV business were hilarious and your key points to success were inspiring. I was particularly taken by the story about Muhammad Ali. It really is better to be lucky than good sometimes, isn't it?

I would highly recommend your program to any and all audiences and please feel free to use me as a reference should one be needed.

Thank you and we look forward to having you back again in the future.

Sincerely,
